

Sledmere Primary School

Covid Outbreak Contingency Plan – Sept. 2021

<p>When should my child self-isolate or miss school?</p> 	 <p>NO</p>	<ul style="list-style-type: none"> • All children MUST attend school unless they are ill. • From 16th August 2021, children under 18 (or double-vaccinated adults) do not need to self-isolate or miss school if a member of their household or a close contact has Covid. • Instead, they will need to book a PCR test but can continue coming to school so long as they have no symptoms and the test result is negative.
	 <p>YES</p>	<ul style="list-style-type: none"> • If your child develops Covid symptoms at home, they should <u>stay at home</u> and should book a PCR test NOT a Lateral Flow test. • If your child develops Covid symptoms at school, they will be sent home and you should book them a PCR test. • If your child tests positive for Covid, they will need to self-isolate. The rest of the household does not need to self-isolate if they are under 18 or fully vaccinated – but instead should book a PCR test.

Community Covid Risk	Description	Actions
 <p>Low Community Transmission. No School Cases.</p>	<ul style="list-style-type: none"> • There have been no cases of Covid within school for 10 school days. • Cases of Covid locally are low and/ or stable. • Hospitalisation/ Deaths due to Covid nationally are low. 	<p>No Covid measures are necessary beyond the control measures:</p> <ul style="list-style-type: none"> • Reminding children of good hand-hygiene and respiratory hygiene, ‘catch it, bin it, kill it’ • Appropriate cleaning regimes in place • Ensuring good ventilation and a comfortable teaching environment is maintained • Ensuring Children / Staff stay at home if they have Covid Symptoms. Children displaying symptoms will be sent home. <p>Staff will continue to test twice weekly using Lateral flow tests until the end of September.</p>
 <p>Rapidly Rising Community Transmission</p>	<ul style="list-style-type: none"> • No current Covid cases have been recorded at school, but... • Cases of Covid are rising rapidly in the community causing disruption to other local schools. • Public Health England issue warnings of expected local/ national infection wave. 	<ul style="list-style-type: none"> • Ventilation of classrooms increased where possible & handwashing supervised. • Reduced access to school building by outside visitors • Staff-room capacity is reduced. • Clinically Vulnerable staff meet with Line-Managers to review their individual risk assessment & discuss additional protection (e.g., use of face coverings, reduction in movement between classes/ groups).

Number of Cases:	Description:	Actions:
 <p data-bbox="199 472 429 535">A single child tests Positive</p>	<ul style="list-style-type: none"> • A single child tests positive for Covid in a class. • There are fewer than 5 cases in the year group. • No other year groups are affected. 	<ul style="list-style-type: none"> • The child self-isolates for 10 days. Remote learning will be provided if they are well enough to complete it as outlined on the school website. • The parents of the child are contacted directly by NHS Track and Trace to establish likely contacts. • Likely contacts will be contacted by NHS Track & Trace and advised to book at PCR Test. The school will contact parents to advise this if close contacts are known. • Children do not need to miss school or self-isolate whilst they wait for the result of the PCR test unless they have Covid Symptoms.
 <p data-bbox="199 1048 429 1216">5 children or staff within a year group test positive within 10 days of each other.</p> <p data-bbox="296 1263 336 1290">OR</p> <p data-bbox="193 1332 437 1431">3 children or staff in a single Class/ Club within 10 days.</p>	<ul style="list-style-type: none"> • There have been 5 cases of Covid across a year group within 10 days which could mean that Covid is spreading within that group of children. 	<ul style="list-style-type: none"> • As above for each positive case. • The school will discuss the outbreak with Public Health and agree strengthening protective measures <u>for 10 school days</u>, including: <ul style="list-style-type: none"> ○ Re-introducing staff face masks for corridors & communal areas. ○ Adapting, Limiting or postponing indoor sporting events, trips, open days and performances. ○ Reducing the amount of classes staff work across. ○ Resuming twice-weekly Staff Lateral flow testing.
 <p data-bbox="188 1789 440 1924">Covid cases continue to increase rapidly within a 10 day period.</p>	<ul style="list-style-type: none"> • Despite the measures indicated above, Covid cases within the school continue to rise within a 10 day period with multiple classes and staff affected, suggesting that Covid is spreading widely throughout the school. 	<ul style="list-style-type: none"> • Incident Management Team meeting held between the school, MAT and Public Health if appropriate to agree further measures, <u>for a further 10 school days</u>, including: <ul style="list-style-type: none"> ○ Re-introducing class bubbles. ○ Reverting to class-based school lunches. ○ Limiting all non-essential visitors to school. ○ Postponing all non-essential events. ○ Re-introducing remote learning for individual classes for 10 school days considered, as outlined on website.

The school will inform parents of any changes to Covid measures should these be needed and the Risk Assessment will continue to be reviewed regularly.
