

12th September 2022

Dear Parents/Carers

I would like to extend my sincere condolences to everyone affected by the sad news of the death of Her Majesty Queen Elizabeth II, including all members of The Royal Family.

Monday 19th of September has been declared as a public bank holiday and coincides with the state funeral, therefore all schools within the Trust will be closed on this day.

Throughout the coming week, activities will be taking place in all of our schools to give our children the opportunity to learn and reflect on the incredible life of The Queen and her dedication to our country throughout her 70 years of reign.

Yours sincerely

Amarjit Cheema OBE
