Monday 15th May – Friday 26th May – **Year 2 SATs**

15th, 16th, 17th May – EYFS Parent Sharing Afternoons

Health and Safety

I am asking parents/carers to please take care and consideration when parking and driving near school entrances. We continue to have concerns for the health and safety of our children and families as they walk into school due to the unsafe parking. Despite having written to parents earlier this year, regarding restricted access to staff and visitor carpark, people are continuing to ignore our requests and still use the carpark despite not being given access.

Please do not attempt to use the carpark unless you have been given authorisation. Those who do have access, can I please ask that you drive and park safely, giving full consideration to pedestrians onsite.

Kings Coronation Celebrations

To celebrate the Kings coronation in school we will be asking the children to dress in red, white and blue on **Friday 5th May 2023**.

Alongside this, we hope to host a whole school outdoor lunch party (fingers crossed for good weather). For those children who have/want hot dinners, we will be serving a boxed pizza and chips meal. Those children who bring their own sandwiches/lunchbox are still welcome to do so and enjoy eating this as part of the outdoor

lunch party too.

Nursery Places

We have places available in both Morning and Afternoon Nursery for September 2023. Please enquire at the school office for admissions forms.

Year 6 SATs

SATs week is nearly upon us for Year 6 and I would like to take this opportunity to thank them for all their hard work this year so far in the build up to SATs.

To offer a final boost of support, we would like to invite our Year 6 pupils in on Thursday 4th May (Polling Day) 8.30am-11.30am for a revision session. We will provide breakfast for the pupils who attend this session.

SATs week – Tuesday 8th May – Friday 12th May

We will be offering a free breakfast club for Year 6 pupils during this week again to support the children in feeling fully prepared for the tests each morning.

Multiplication May

Multiplication May is starting next week at Sledmere!

Pupils from Years 1-6 will be taking part in a times table battle against their year group! We are asking the children to simply logon to Times Tables Rockstars every day and play for as long as they possibly can-every minute counts! The winning class (the class with the most minutes played and percentage of interaction overall) will win a Rockstars trophy! There will also be prizes for individuals who manage to logon and play every single day.

Good luck and let the battles commence!
