Last month!

In our Nursery, the children have had a brilliant time making beans on toast for Jack and the Beanstalk. They had to butter the toast using their fine motor skills and chop the toast (using child-safe knives) before adding beans. YUM!

Well done Thomas and Siera you didn't leave a crumb!

The new fencing club has quickly become a highlight for the children, who are embracing the sport with great enthusiasm. Each session is filled with energy and excitement as they learn new skills, practice friendly bouts, and grow in confidence. The children especially enjoy the balance of discipline and fun that fencing brings, making it both a challenging and rewarding activity. It's wonderful to see their teamwork, focus, and joy shining through every week.

During Last Month, the whole of Year 6 went to visit The Link Academy, to get an idea of what secondary schools are like. While we were there, we had a look around the school to see different lessons. We saw: DT, Art, Science, Drama, Dance, Music and PE. We didn't see the whole school but what we saw was amazing! We even got to see the students make rockets out of a water bottle. While we were in the Art class, we saw some of the fantastic work that the pupils have produced. At the end of the visit, we got a goodie bag. We all had a fabulous time- and lots of us are looking forward to going to the Open Evening there too.

SUMMER

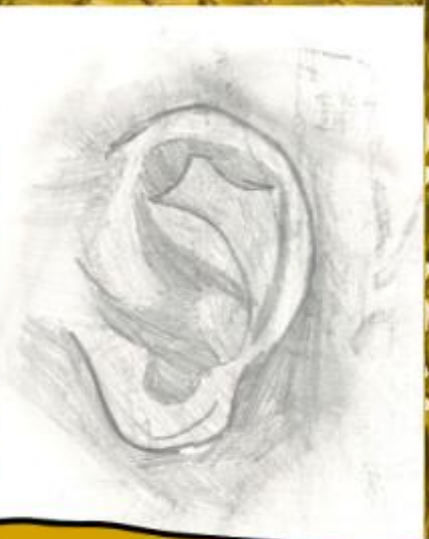

A HUGE Thank you to all our families who attended the school fair in July. As a school we raise a whopping:

£1700!

We are looking forward to what our School Council decide to spend it on.

Farewell to Miss Price

This half term we say a very fond farewell to Miss Price, who is leaving Sledmere after years of dedicated service.

During her time with us, Miss Price has worked closely with countless children and families, offering support, guidance, and encouragement every step of the way. Her kindness, patience, and commitment have made a lasting difference to so many lives in our school community.

We know that children, parents, and colleagues alike will remember Miss Price not only for her hard work but also for the warmth and positivity she brought to Sledmere every day. While we are sad to see her go, we are truly grateful for everything she has given to our school and wish her all the very best for the future in her exciting new role.

Thank you, Miss Price, for everything—you will be greatly missed.

Keeping children safe is everyone's responsibility
